

CERTIFICATE

FOR

Inspection Centre Besto/Talamex Inflatable Jackets:

Dräger Nederland B.V.
Marine & Offshore

Beurtschipperstraat 1, Hoogvliet, Nederland

Station/man number: 125 - 01

The above mentioned company is authorised by Besto to re-inspect Besto/Talamex inflatable lifejackets, provided operations are in accordance with our sub-process DPR03 Service manual Besto/Talamex inflatable lifejackets, instructions and forms.

Revision date 13-10-2022 version V1.6

This authorisation is exempted from Fire Brigade, Police and Ministry of Defence lifejackets.

Additional conditions to the re-inspection certificate

All actions in relation to the service on the inflatable lifejackets, are at the responsibility of the service station.

This certificate is only valid if all criteria mentioned in the document Criteria Service Station have been met.

If operations are not in accordance with the above criteria, original instructions/forms and original tools, any consequences shall be entirely for the responsibility of your company.

With a view on the Product Liability Act, we urge you to comply with the above!

Failure to comply with the above criteria shall render any factory warranties invalid.

BESTO original parts, are obligated!

The validity of this certificate is 3 years from date.
